

Prof. H S Atreya Award-2024

The nominations are invited for Prof. H S Atreya award-2024. The award shall be given annually to an outstanding scientist working in any diversified area of magnetic resonance and its applications, for his/her scientific contributions, without any geographical restrictions. The award carries a citation and the cash prize of Rs. 50,000/- (Rupees fifty thousand only or equivalent in foreign currency for international awardees) earned by the interest generated out of the endowment fund created by the generous donation by the colleagues of late Prof Atreya at the erstwhile NMR Research Centre, IISc, Bangalore.

Any magnetic resonance spectroscopist can nominate a deserving scientist. Self-nominations are also accepted. The nominee must be holding an independent academic/scientist position and should not have completed 45 years of age as of 31/12/2024. The previous winner(s) of the same award is not eligible. The eligible scientists are also encouraged to submit nominations for other awards of NMRS. However, one nominee can receive only one award in a calendar year.

The awardee will be chosen by a committee taking an integrated view of nominees' significant scientific contributions mainly in the area of magnetic resonance and its applications. The decision of the committee will be final. The winner will be invited to make a presentation at the next NMRS symposium to be held along with APNMR in June 2025.

The previous winners of other awards of NMRS (other than H S Atreya Award) are also eligible to send the nominations.

The curriculum-vitae and a brief write-up of the contributions of the nominee, along with the supporting documents, may please be submitted as a single zip file to the:

President of NMRS: Prof. N. R. Jagannathan at: jagan1954@hotmail.com

The nominations are accepted until 17:00 hrs of 30/12/2024
